

DSC Clinton River Muzzleloaders Hold First Lobster Boil!

On Tuesday September 11 the DSC Clinton River Muzzleloaders broke new ground. They held their first Lobster Boil! Along with shooting on the Primitive Range and shooting the Sh#t around the campfire, this day featured a prepaid lunch of Lobster, New Potatoes, Sweet-Corn, Onion and Lemons. (Bratwurst was provided for those skimmers that don't like Lobster) The lobsters and veggies came boiled, plain, or for those a bit more adventurous, Cajun Spiced. By all accounts, the lunch was as good as any lobster dinner served at the top restaurants in the Metro area! A Special thanks to BP's lunch organizer, Chuck Massie, and our world-class chefs, Jim Estes and Uwe Perl.
