

NRA Sectional Report

The DSC hosted the NRA Junior Sectionals the weekend of February 27th & 28th 2010. The Sectionals attracted young riflemen and women from as far north as Sault Saint Marie and as far west as Sturgis Michigan. The results from this match will be combined with Sectionals held throughout the rest of the country to determine the National Indoor Champions for Olympic Style Smallbore and Air Rifle events.

The match started with the 4 Position Smallbore event with DSC shooter Anne Sullivan striking Gold early. The win was close as the top three shooters were only separated by a single point. Another DSC junior, Eric Krysinski claimed Bronze in a tie breaker with the Silver Medalist from Bay City. Demetri Duey, also from the DSC, won the 2nd Intermediate Junior (IJ) award. The team award went to the DSC.

Eric Krysinski continued his medal winning ways with another Bronze in the 3 Position Smallbore event. Anne Sullivan and Sabrina Krafft won their classes of IJ and junior respectively. The team award again went to the DSC.

Medals eluded DSC shooters in the 3 Position Air Rifle event, however, Anne Sullivan did bring home the 1st IJ award. DSC shooters also won the team event.

Sabrina Krafft and Anne Sullivan won their class awards in the International Air Rifle event but the DSC shooters were just shy of the medal hunt. The DSC Air Rifle shooters held off a threat from a determined Sault Area High School Team to win the team award and a sweep of all four events!

CONGRATULATIONS DSC JUNIORS!
