

SUNDAY – MARCH 4
DSC SKEET & TRAP FUN SHOOT
Buddy Back Up Trap &
Leprechaun Skeet

Please join us for a bit 'o' the Blarney at the next Skeet & Trap Fun Shoot on Sunday, March 4, 2018. We'll get you set up with a 'Buddy' to start off with Buddy Back Up Trap, where your Buddy gets to shoot 'IF' you miss 'YOUR' shot. You can get two points if you break your clay, 1 point if your Buddy breaks it... but don't shoot out of turn or you could lose 2 points. There will be two rounds of trap; one round with you as the primary shooter and one with your Buddy as the primary. You both pay for one round, but actually shoot in two rounds. You can both shoot twice at each target, so bring plenty of shells. We'll throw extra point Shamrock Clay's during Leprechaun Skeet, so who knows how high the scores will go!

Entry fees will be \$5.00 (in addition to normal range fees) for the three-round event. Bring a guest, as the Shoot is Open to the Public. A Lewis Class prize system will be used for 1st, 2nd, and 3rd places (3rd place included if we have a sufficient number of shooters... i.e. 15+)... with either a 50/30/20 or 60/40 split, depending on number of shooters.

Times: Flights at 10:30 and 2:00 pm
