

DSC Club Email Lists Rules

The DSC has email lists to facilitate communication between DSC members. These lists are for members only. If you would like to be added or removed from a list, send an email to Bonnie Palmer at dscoffice@gmail.com and request that you be added to or removed from the list(s) of your choice, include your full name and member number.

DSC (general list) :goes to everyone on any list	dsc@d-s-c.org	Life Members	life@d-s-c.org
Archery	archery@d-s-c.org	Pistol	pistol@d-s-c.org
Black Powder	blackpowder@d-s-c.org	Rifle	rifle@d-s-c.org
Campground	campground@d-s-c.org	Safety	safety@d-s-c.org
Cowboy Action	cowboy@d-s-c.org	Shotgun	shotgun@d-s-c.org
Education	education@d-s-c.org	Women of Aim	women@d-s-c.org
Juniors	juniors@d-s-c.org	Tidbits (Off topic, political, humor, non-DSC etc.)	tidbits@d-s-c.org

All members on any list are automatically added to the DSC (general list). This allows emailing everyone subscribed to emails, with one email. They will not receive multiple emails if they are on more than one list.

You must subscribe to a list, to send email to the list, this prevents SPAM.

Example: You join the rifle list. In order to send your message to everyone on the rifle list, you send your email to “rifle@d-s-c.org”. If you only join the rifle list, you cannot send to the pistol list. You would also have to subscribe to the pistol list.

If you wish to email to only to a single committee you may do so by emailing just that committee list. To email to everyone on all lists use the DSC general list. Additionally if you send email to dsc@d-s-c.org, everyone who subscribes to any list will get one copy of your email, regardless of the number lists to which they subscribe.

The lists are for club and related information only. The lists including the DSC general list can be used to sell guns and related items to other members, league information, regulations, club notices or subjects pertaining to the DSC operations. You can ask questions, seek advice and use the lists to get more involved in the club.

The committee lists are not for the joke of day, political or any other “off topic” items. We have set up an email list specifically for “off topic items” tidbits@d-s-c.org. Use this list for any emails not directly related to the DSC club functions and information as stated above.

Do not send emails that fall under tidbits to any other list including the DSC general list.

You must sign all your emails with your full name. You cannot use nicknames, abbreviations such as “Joe X” or just an obscure email address.

Discretion should be used with all emails as all lists are monitored.

Disregard of the rules, inappropriate, offensive or derogatory emails can result in removal from the lists and action by the DSC Board of Directors.

Remember, once it is in writing anyone can read and forward it.
